Opening Hymn **35: To God Be the Glory** Congregation

Prayer of Adoration Pat Shroff

Responsive Readings **592: God's Omniscience** Congregation

Lord, you have examined me, and you know me.

**You know everything I do; from far away you understand all my thoughts.**

You see me, whether I am working or resting; you know all my actions.

**Even before I speak you already know what I will say.**

You are all around me, on every side; you protect me with your power.

**Your knowledge of me is overwhelming; it is too deep for me to understand.**

Where could I go to escape from your spirit? Where could I get away from your presence?

**If I went up to heaven, you would be there; if I lay down in the world of the dead, you would be there.**

If I flew away beyond the east, or lived in the farthest place in the west, you would be there to lead me, you would be there to help me.

**I could ask the darkness to hide me, or the light around me to turn into night, but even the darkness is not dark for you, and the night is as bright as the day.**

You created every part of me; you put me together in my mother's womb.

**I praise you because you are to be feared; all you do is strange and wonderful. I know it with all my heart.**

You saw me before I was born. The days that had been created for me had all been recorded in your book, before any of them had ever begun.

**Examine me, God, and know my mind; test me, and discover my thoughts. Find out if there is any deceit in me, and guide me in the eternal way.**
