The Gospel of Jesus Christ

The gospel is **the good news announcement** that Jesus Christ, the Son of God, lived the life we should have lived, died the death we should have died, and rose again from the dead, sharing his life with all who believe in him. He ascended into heaven, taking our humanity with him into the Trinity, and now stands vindicated by his Father, reigns triumphant over the powers of darkness, and works to make all things new in the great restoration of the entire cosmos.
